

CONSIDERING A FUTURE IN MISSIONS...

WHO IS VISION BAPTIST MISSIONS?

Vision Baptist Missions is a mission board and ministry of Vision Baptist Church in Alpharetta, Georgia under the leadership of Pastor Austin Gardner. Distinguished by our Bible-based philosophy of world evangelism, we seek to reach the world in our generation. While VBM does not claim to have all the answers, we do believe that someone sent through our mission is thoroughly prepared for mission work anywhere in the world.

WHAT CAN VISION BAPTIST MISSIONS DO FOR A MISSIONARY?

1. *Stateside Administrative Oversight*- the VBM home office serves its missionaries by assisting them with many of their stateside needs while they are living overseas

2. *Mentorship* - The leadership of VBM remains in regular contact with each VBM missionary. They also make multiple trips each year to encourage and offer training to missionaries on the field.

3. *Support System*- VBM's missionaries are a closely-connected family offering support to each other throughout all of life's events. VBM missionaries have connections to help in difficult times on the field and to rejoice in the times of triumph.

4. *Accountability*- VBM has a strong desire to encourage its missionaries in continued growth and better understanding of our ministry philosophy.
