

Your Missions Trip This Summer

Have you considered taking a missions trip this summer? North Africa, Thailand, Japan, China, Burkina Faso, Argentina, Chile, Peru, Bolivia and India are just a few of the places Vision Baptist Missions offers trips to visit. Affordable prices, effective ministries and unforgettable experiences is just a taste of what you will see if you go on one of these missions trips. So let us give you a couple of reasons for why you should plan a missions trip this summer:

1. It will open your eyes.

Get out of the normal routine of life and see that the world is much bigger and different than where you live.

2. It will give you a burden for those without Christ.

Almost 95% of the world's population live outside the borders of the United States. People are religious yet without Jesus Christ.

3. It will give you an appreciation for what God has given you.

A church, a Bible, freedom to worship, a pastor who loves you, possibilities of hearing gospel preaching on the radio, online, and almost everywhere you turn, are just a few things that we take for granted living in the United States.

4. You will return as a changed person.

You may not come back wanting to be a missionary, but you will return a different person. Seeing the need for laborers, understanding the missionary, an urgency of getting involved in your church and realizing the responsibility to get the gospel out are just a few of the changes someone has when they return from a mission strip.

So it's time to make a decision. Plan your trip and watch how God changes your life. Check out our website to find a list of trips we offer. Prepare your youth group or church group to take a missions trip this summer. If we can help you, contact us at info@visionmissions.com

Young people today are waiting to be challenged and led to the greatest revolution in history -- the fulfillment of the Great Commission. They were made for this work of bringing glory to God by taking the Gospel to the nations! The work will move forward as we train them to be disciple-makers. We are given very few days with our students during their years in youth ministry. We cannot afford to not invest in their lives during the weeks of summer camp.
