

Dear Friend,

Thank you for your interest in partnering with us to spread the Gospel! With over 7 billion people in the world and many who never even heard the name of Jesus, we must do all we can in the area of world missions! It is our goal to provide the local church with the means to more effectively fulfill the command God has given us in the Great Commission. Since 2012, Vision Baptist Missions has grown from 13 families into 59 families. The Lord is using many of our missionaries on the foreign field to see many souls saved, churches planted and leaders trained. But we don't want to stop there - we are always praying for God to bring in the next group of laborers of the harvest as we recruit in Christian schools, colleges and churches. It is our desire to recruit and train the next generation of missionaries to get on the field before our Lord's soon return.

Director of Vision Baptist Missions

**REACHING THE WORLD
IN OUR GENERATION**

Our Story

Although I grew up in church, I did not personally accept Jesus as my Savior until I was 15 years old. I'm thankful God allowed me to hear the gospel multiple times.

When I was 16 years old, I went on my first mission's trip to New Mexico. It was there that God clearly called me to serve Him.

In 2000, Mindy and I were married and followed the Lord's leading to the mission field of Argentina. We were able to see many souls saved and men trained for the ministry. In 2012, God transitioned my family to serve as the director of Vision Baptist Missions, where I am privileged to help equip and encourage missionaries along with recruiting a new generation of missionaries to take the Gospel.

Since its start in 2010, Vision Baptist Missions has grown to include 59 families as of 2019. There are several more families and young people currently in training. The fields are white unto harvest and we believe it is our responsibility to do all we can to reach the lost around the world!

Recommendations

Dear Pastor,

It brings me great pleasure to introduce you to Jeff Bush. I have known Jeff and Mindy Bush for over 20 years, and have watched as God has grown and developed Jeff into the faithful man that he is today.

I have watched Jeff pay the price to not only learn Spanish, but to learn it extremely well. They were greatly used in South America for over 12 years, where they planted 5 churches, started a Bible college, had a radio ministry with their own station, and left trained leaders in charge of and pastoring all the works which continue strong to this day!

Jeff is a dynamic Bible preacher: he knows how to teach people and motivate them to do the work of God. I highly recommend him as a guest speaker for any missions conference. He understands missionaries because of his years of service on the field. He understands pastors because he has pastored for over 15 years. He understands faith promise and missions from a very unique perspective, and I believe that he will be a great blessing to your church.

I hope you will consider inviting Jeff as you plan for your missions conferences. I hope you will support him financially because the work he is doing is vitally important to the cause of church planting and leader training.

Pastor Austin Gardner

Dear Pastor,

I wanted to personally write and let you know how mightily God used Bro. Jeff Bush in our missions conference. His ability to connect with our people and explain faith promise missions was very effective! Our church saw an increase in giving and a young man surrender to the ministry! It was refreshing to have a preacher come in and help our church with the Great Commission. Jeff Bush is truly a pastor's friend!
