Dear Supporting and Praying Friends

April 2016

**The mark of a great church is not its seating capacity, but its sending capacity.**

— Mike Stachura

We have spent the first few months of 2016 visiting several Christian schools and preaching to the youth about the need for missionaries around the world. Our prayer, goal and desire is to see 50 young people surrender to missions in 2016.

God has tremendously blessed lately! So far this year we have had one new intern join, accepted another missionary family to our growing VBM family, and participated in missionaries' ordination services and send-off services. Ben Johnson left for China and Patrick Henry to Argentina. God is greatly blessing Vision Baptist Missions; we feel so privileged to be a part of what God is doing.

On a personal note, the Bible College in Argentina just started up another semester of classes. God has given them 41 students and I am so excited for them and proud of how God is using the pastors

there. Please pray for Jorge, Matias, Hernan, Hugo and Esteban and their churches as they lead and move forward.

I had the privilege of teaching 2 weeks at the Our Generation Training Center recently. The OGTC is a missionary training school at our home church in Alpharetta, GA. We praise the Lord for the young men and women who are learning and preparing for the mission field. On April 7-8th there will be an open house for those interested in learning more about how this works. You can call

Robert Canfield (770-456-5881) or look online to find out more ([www.ogtc.info](http://www.ogtc.info)).

Allow me to end by thanking you for your prayers and support. If we can serve your church in any way in the area of missions, please don't hesitate to contact us!

Here to Serve,

*Jeff and Mindy Bush and family*
