August 2017

What an amazing month! God has allowed me to preach, teach, spend time with my missionary friends on the field and talk to people about serving God. I am truly blessed!

Youth Conference in Bolivia. I had the privilege to lead a group of 17 people on a missions trip to visit our missionary Kevin White in Bolivia. While there, I preached a youth conference for the three church plants that Kevin has started. God did a wonderful work in the hearts of the Bolivian young people as well as the American group. Many young people attended the conference and praise the Lord, several were saved. Kevin White is doing a wonderful job in Bolivia, but the need there is so great! Would you pray that God would send more laborers to this ripe mission field?

I am currently writing this letter from **Nepal**. Vision Baptist Missions is holding our Second Regional Conference, a time to encourage, challenge and instruct missionaries. Missionary Paul Taube is hosting this specific one and missionaries from different countries in Asia are present. We hold sessions in the morning and have a good time in the afternoon before continuing our time of challenging and encouraging. Yesterday we spent time with some of the young men in Nepal and after asking for testimonies, one young man had a question and missionary Paul Taube was able to lead him to Christ. What an amazing thing it was to see a new brother birthed into the family of God! The 2 pictures below show the group of missionaries here for the Asia Conference and the 2nd is missionary Paul Taube with the man that just made a profession of faith.

This last month marked some **pretty big steps in the life of our oldest daughter Lydia**. She got her driver's permit, started her first job and went on her first mission's trip with the youth from our home church. We thank God for our children and pray God will use them for His glory.

Christian schools are starting back up soon and God is opening the doors for me to visit several. As I travel to Christian schools and preach in chapels, my desire is to challenge young people about giving their lives to serve God. We want to do everything we can to reach this lost world with the Gospel in our generation.

Here to Serve,
