

# Jeff & Mindy BUSH & Family

August 2019

In July I had the privilege to preach a youth conference in Bolivia. VBM missionary Kevin White held a youth conference with the three churches God has used him to start, and I was honored to preach to the youth. There were many saved and several decisions to serve the Lord. Praise the Lord!

We also held a Vision marriage retreat and had a marvelous time. My prayer and desire is that our missionary couples will have strong marriages.

The devil fights strong on so many fronts, so a good marriage is certainly important.

We had the joy of seeing our daughter Johanna follow the Lord in believer's baptism. I am thankful that she has a tender heart to serve the Lord and I pray that she, along with all the children God gave us, will always serve the Lord with their lives!

My wife and I also had the opportunity to teach a good group of over 20 teenagers at a VBS in Pickens, South Carolina. We asked them to give their lives to be missionaries and trust that God will call some young people for His service.

We are back in school season and God is allowing us to book up our calendar to preach in Christian school chapels. The whole reason I visit Christian schools and chapels is to challenge young people to give their lives to take the Gospel to a world without Christ. Please pray that God will call out many young people, and pray that young people will respond to God's calling.

Here to Serve,
