Dear Supporting and Praying Friends

August-September 2016

Tell the students to give up their small ambitions and come eastward to preach the gospel of Christ." Missionary Francis Xavier

We continue praying that God would allow us to see 50 young people surrender to missions this year. Since January I have been blessed to see many young people say they believe God is directing them into missions. Would you help us pray that God continues working and young people will continue to surrender?

On August 13, we held a One Day Summit in Hiawasse, GA. This event has the purpose of encouraging young people to give up their own ambitions and sell out for Christ.

As school time rolls back around, God has opened up the doors for me to visit many Christian schools and colleges. Once again, the single focus is to plea and pray that young people will give their lives for the cause of world evangelism.

Have you considered taking a missions trip in 2017? I know it seems a long ways off, but I want to ask you to plan a missions trip for your church or youth group next year. We at Vision Baptist Missions have many possible trips lined up and would love to help you find the best and most adequate trip for your group. You cannot lose by taking a missions trip. Although not everyone comes back wanting to be a missionary, I can promise that they will not come back the same. Many return from the missions trip with a zeal to evangelize, a gratefulness for what God has given them, open eyes to the need of the Gospel and wanting to get more involved in their home church. Both the individual and the church is blessed when someone takes a missions trip.

Lastly, I want to extend an invitation to the Our Generation Summit that we will hold December 29-31st (Thursday - Saturday afternoon). This event is like a missions conference on steroids, a time where we have classes and teaching sessions on missions and what God is doing around the world. For the past 10 years we have held it in Pigeon Forge, TN, but this year we have chosen a new location - Lake Lanier Island in the greater Atlanta area. We would love to see you for this excellent time of learning more about world evangelism.

Here to Serve,

Jeff and Mindy Bush and family
