Dear Supporting and Praying Friends

December 2012

We finished the year with great and exciting blessings! Within the last couple of months God has allowed 4 new missionary families to join the Vision Baptist Mission's family: Jason Rishel (Burkina Faso), Ben and Crystal Johnson (China), Paul and Amber Taube (India) and Kyle and Hannah Shreve (Peru). If you would like to have them in your church for a service or mission's conference, please give us a call and we will get their contact information to you. In a day when it is harder and harder to raise support, we believe it can still be done in 2 years or less and this is what we encourage our missionaries to do.

Recently our third daughter, Johanna, spoke with us about her need of being saved and afterwards made a profession of faith. We are thankful that our three oldest daughters have placed their trust in Christ.

Every December, Vision Baptist Missions holds a mission's event called the Our Generation Summit in Pigeon Forge, TN. Many churches

come together with missionaries from all over to challenge young people in the area of world missions. This year it will be held December 31st - January 2nd and we already have over 300 registered! Please pray that the Holy Spirit will make hearts tender to become involved in reaching this world for Christ.

In December I had the privilege to visit Argentina, where my family and I spent 8 wonderful years as missionaries. They invited me to preach anniversary services for 2 of the churches, preach in the Bible college, preach on the radio and preach in the other churches. My heart was overflowing as I saw a great group of young people preparing for God's service in the Bible College, many saved, and all 4 churches growing. I am attaching some pictures so you can see one of the anniversary services (with 345 in attendance) and a group of students at the Bible college.

Here to Serve,
