December 2017

God has abundantly blessed both my family as well as Vision Baptist Missions this year. We have seen God's goodness and presence in both ministry and personal life. I have dedicated my life to recruit and encourage a new generation of missionaries, and God has opened many doors and is continuing to work.

I have been speaking in many Christian schools as well as a couple of colleges. On one specific trip to a school, I was becoming very frustrated because of traffic and not being able to find the location. I pulled into the parking lot at the exact time chapel was to begin. I got out of my car and rushed inside to begin preaching. I prayed that God would use me in spite of the morning, but to be honest I was very irritated and just wanted to get through my message and leave. Upon finishing my message, a young man walked up to me and said that he had prayed the night before that God would show him the next step in his life and then he looked at me and said, "You are the answer to my prayer; God sent you." Wow! While I thought I was wasting my time that day, God had something special in store.

In November my wife and I traveled to Peru, for a regional conference with our missionaries in South America. Missionaries from Chile, Argentina, Bolivia and Peru gathered together for a week of instruction, encouragement and fellowship. We were able to talk about marriage, ministry, family and personal life. What a sweet time it was with God's front-line soldiers!

Just a few weeks ago we accepted our newest missionary to Bolivia, Andrew Wilder. This young man finished his missions training and interned six months in Bolivia with veteran missionary Kevin White, before beginning his deputation. He is a sharp young man who is going to do a great work for the Lord!

At the end of the month we will hold one of our biggest missions events of the year, the Our Generation Summit. This missionary event was started in 2005 with the purpose of gathering and challenging young people to get involved in world evangelism. This year we are excited to offer the OG Summit in Atlanta, Georgia on December 28-30, and, for the first time, in Boston on January 4-6, 2018. I would encourage you and your church to highly consider attending this event. You can find out more information at www.visionmissions.com/events

Here to Serve,
