Director of Vision Baptist Missions

December 2020

We had a wonderful time at the **World Evangelism Fellowship!** This was our first event in a long time that did not have to be canceled due to the pandemic. God gave us a very good group and sweet fellowship with pastors, missionaries, and friends as we discussed getting the Gospel to a lost world in our generation.

I had the opportunity to visit my missionary friend, Miguel Sanabria, in **Colombia, South America.** Quarantine stopped them from having services for quite some time, but recently the doors opened again for services. Miguel and Mariangela are doing a great job representing our Lord in Colombia!

Recently I was blessed to preach a **Spanish youth conference.** Pastor Ronald Tubillas was the first Spanish pastor at Vision Baptist Church, and later turned the church over to start the church where he currently serves. Another one of his church plants in the Atlanta area also attended this conference. He is a hard worker and I was amazed at the number of young people present. During the conference, there was **one profession of faith and five decisions for full-time ministry!**

Mindy's book is now available on Our Generation Publishing as well as on Amazon. This book is designed to encourage and help ladies in missions. I'm very proud of my wife for putting the time and heart into a resource that will help others.

I want to personally invite you to the **Our Generation Summit, December 28-30, 2020.** This year we will be hosting it on the campus of Vision Baptist Church. At the summit, you will hear from missionaries serving all around the world. If you are interested in serving God, you do not want to miss this event! We are looking forward to seeing you there!
