

December 2005

Reflecting upon God's goodness throughout 2005, makes me realize how privileged we are to be missionaries in Argentina. On the 16th of December we will be finishing our second semester in the **Macedonia Baptist Institute with a total of 17 students**. We pray that God uses these young people to make a difference in Argentina and the world for Christ! Please pray for these students and that God will send others to the harvest field of Argentina!

First Anniversaries of the Churches

December 3rd was the first anniversary of Grace Baptist Church in Quilmes and the Lord blessed in many ways. And then on the 4th we had the first anniversary at the Lighthouse Baptist Church in La Plata. It was an exciting and emotional service for our people with an **attendance of 180**. What an excitement to see what GOD has done in the short amount of time with these young churches growing quickly in the Lord's path! The church people did an amazing job decorating, preparing cake, food and a video presentation of what the Lord has done.

The Year in Review

Throughout this year we have had special days in the churches and many precious people have become a part of our lives. The Lord has blessed with not only Argentines but we also have people from Peru, Bolivia, Honduras, Brazil, the Ukraine, Ecuador, Uruguay, Paraguay, Spain and even the United States. We have seen the church grow from only a few to many faithful families who are getting involved in **MANY** areas of the church. **The Lord has called young men who have preached their first sermons. In just this year the Lord enabled the church to divide the Sunday school into 8 different age groups. We have seen the start of many ministries including home Bible studies, music groups, neighborhood Children's Bible clubs, the bus ministry and much more.** We truly have been blessed and would like to share that this is all fruit to your account as our co-laborers in prayer and support. We are looking forward to what GOD is going to do in 2006. We are specifically praying for land for the 2 churches and Bible Institute as very soon we will no longer fit in the buildings we are renting.

Family News

Many of you have commented that it has been a while since you've seen a recent family picture so we are sending a recent one. It seems like time flies and our girls just keep getting bigger and bigger. **Lydia is now 4 years old; Adriana is 2 and Johanna just turned 1 year old.** They are a blessing from the Lord and we pray that they will grow up to serve the Lord.
