

Jeff Bush Family

Director of Vision Baptist Missions

February 2021

We had a fabulous OG Summit to end the year. God gave us over 350 people in attendance! The preaching was challenging, just what was needed at this point in a chaotic world. There were **52 young people that signed a pledge saying they are willing to be missionaries** unless God shows them differently. What a great time!

New semester of teaching. We've started a new semester at the Our Generation Training Center and I am privileged with teaching two classes. Also, Pastor Jimmy Soncco is allowing me to teach in the Spanish Bible Institute. I love teaching the Bible, and teaching in Spanish is one of my favorite ways!

I'm thrilled to announce that recently **many of my missionary friends have been able to fly out** to their fields. I pray the Lord opens up other countries so our missionaries can soon get to their fields of service. We have a small amount of time to share the gospel and do the work of God before His return.

Recently we held our first **luncheon for pastors of VBM missionaries.** We had a great time and thankful for the pastors that were able to attend. Our only agenda was to thank them for allowing us to work with their missionaries, inform them on how we function, and answer any questions they may have. It was a wonderful time and I'm grateful for these pastors who allow us to serve their missionaries.

I'm very excited to announce that God has allowed the 69 acres to be purchased for missionary training. We have been maxed out on dorm space and praying to go to the next level in preparing missionaries for this generation. We are asking churches to consider being part of an Easter Offering to raise funds for the building. Each church committing to give will receive a promotional kit that will contain materials to connect your people to the training aspect of the great commission. Would you prayerfully consider taking part in the Our Generation Easter Offering?
