Dear Supporting and Praying Friends

January – February 2016

**“Untold millions are still untold.”**

— John Wesley

We kicked off 2016 with the “Our Generation Summit” in Pigeon Forge, TN. We had an amazing time with 335 registrants and the Lord both challenged and encouraged many in the area of world evangelism. Many hearts were stirred, decisions were made and commitments strengthened to be a Christian desirous to get involved in carrying out the Great Commission to the regions beyond.

God opened several doors in January to be in Christian schools and challenge students to consider giving their lives to be missionaries. I am praying very specifically this year that God would give us a host of young people that will give up their own ambitions and decide to serve God to take the Gospel to the ends of the world.

Praise the Lord on the first Sunday in January I was able to talk to a 19 year old young man who received Christ. I pray that he grows in the Lord and serves him faithfully.

Last year God allowed me to be in many colleges, Christian schools and camps where I had the privilege to challenge many young people to consider missions. The 2016 calendar is already scheduled up thru May with visiting more Christian schools and colleges. My prayer for 2016 is that God would allow us to see a new generation of laborers raised to take His Word to those who do not know Him.

It has now been 3 ½ years ago since we left Argentina, the place where God allowed us to see wonderful things happen. We are humbled at how much God has done here at Vision Baptist Missions during this time.

The mission has grown from 13 families to now 36 missionary families, 2 of which are headed to Argentina. We are grateful to serve and help missionaries to serve God on the foreign fields!

Here to Serve,
