Dear Supporting and Praying Friends

July / August 2013

We are excited to share some amazing things we have seen God do this past month! God gave us a great week at the "Our Generation Camp" with over 100 young people in attendance. There were some professions of faith and many more made decisions to serve God in their lives.

be officially turning it into a church! This will be the 5th church started from the Bible College graduates! Also on this trip, I will be taking a young couple on their survey trip! Pray for Shawn and Emily Bateman as they follow the Lord's will in their lives.

At the end of June, I had the privilege to preach the youth camp at Sand Mountain Bible Camp. The Lord blessed with many young people who made decisions in their spiritual life and there were also a few professions of faith as well. Two of the young people from this camp will be traveling with me to Argentina the beginning of August on a mission's trip.

On July 2nd I traveled to Bolivia to preach a youth conference for missionary

Kevin White. It was an encouragement to see how God is blessing this ministry and all the young people who came and those who made decisions.

In August I will be traveling to Argentina where I served for many years in the city of La Plata. The Lord is continuing to bless and the Bible College is growing. Two of the laymen from the first church have been leading a Bible study in another area of the city and soon they will

I would like to ask you to be praying for the many missionary families with Vision Baptist Missions who are traveling the deputation road that God would bless and allow them to raise their support quickly. We believe that the Lord Jesus Christ can come at any moment and we want to get these missionaries to the field as quickly as possible. At the same time, we desire to raise up more laborers as we travel around, preach camps and youth meetings

around the country. If you would like a team of missionaries to do a Missions Emphasis Day with your teenagers please contact us and we will do all we can to get a team there. We are also currently scheduling school and college chapels. You can give me a call at 770-362-3795.

Here to Serve,

Jeff and Mindy Bush and Family
