Dear Supporting and Praying Friends

We finished an excellent week at the Our Generation Camp with over 160 in attendance and 30 new campers signing a pledge to give their life to God for the cause of world evangelism. The world has enough of our youth; I pray that a new generation of young people will rush to the mission field before our Lord's soon return.

After camp I had the privilege to lead a group to London, visit one of our missionaries and preach the Gospel. It would be a great thing if every church and every person could take a missions trip – it would change your life forever!

One of the churches in Argentina that the Lord allowed us to start is purchasing land. With the economic crisis right now in Argentina, it is a great time to purchase land. We have personally sent an offering, and we wanted to make this need public for our brothers and sisters in Argentina. They have until the end of the year to pay a total of \$35,000. They are doing as much as they can, but could definitely use some help. This church has been pastored by one of the first Bible college graduates and has been growing steadily. The pastor and leaders are involved in weekly evangelism and discipleship of new converts. If your church could give a one-time offering towards this need, you can send it to Vision Baptist Missions with the memo "Grace Baptist Church, Argentina".

## Prayer Requests

- **Our personal support**
- **New missionary recruits**
- **Opportunities to put missions before young people in Christian high schools, Bible colleges, camps, etc.**

Here to Serve,

*Jeff and Mindy Bush and family*
