**Dear Supporting and Praying Friends**

*July 2015*

The Lord has been so abundantly good to us! In June we held the annual Our Generation Camp with over 80 campers, not counting all the VBM missionaries and missionaries in training. There were 27 young people who surrendered to do whatever God may have for them in the area of missions. With the devil pulling so many of our young people towards a life of fun, fame and riches, we are thrilled to see many who still want to stand and serve our Savior.

God is opening doors to hold “One-Day Missions Summits” in several areas of the country. We are looking for more host churches to participate in this one day activity that will not only allow their young people and other area churches to have a good time together, but will challenge hearts to serve the Lord. Vision Baptist Missions will provide the preaching/teaching sessions as well as the fun activities of the day. If you as a pastor or youth pastor are interested in organizing one of these days, please contact us!

Vision Baptist Missions recently accepted Josh and Bethany Wormley (Kenya) and Eric and Rebekah Elrod (India). God has faithfully given us a total of 31 missionary families. Becoming a missionary with VBM requires that the missionary spend a time of preparation with us before being accepted. We believe that missionaries are needed world-wide to get the Gospel out, so sending a missionary ready and prepared is very important to us!

We have a new opportunity that we think your church may be interested in! Many church youth groups cannot afford to take a foreign missions trip so we are making it possible for the “World’s Cheapest Mission’s Trip”. No plane, no passport and no visa required! It will be held on a Monday – Friday during the summer for a church group that is interested. Cost is only \$200 and location is Atlanta, GA. You will see a Muslim Mosque, Buddhist and Hindu temple and much more along with being involved in a new church plant and meeting several missionaries. To find out more, contact us @ 770-362-3795 or info@visionmissions.com

This month I will travel to both Chile and Peru to preach Youth Conferences. I am excited about this opportunity to not only visit some of our missionaries, but to get to preach to young people who have a desire to serve God.

One last prayer request before closing out: we would greatly appreciate your prayers for our personal support. We live off of missionary support and do not have a salary from the mission board. The Lord has always been good to us, taking care of needs along the way, but we are praying God would give us more partners to get us fully supported.
