

Jeff Bush Family

Director of Vision Baptist Missions

July 2020

June was a month full of activities for our family. At the beginning of the month, **Mindy and I celebrated 20 years of marriage.** I am so grateful for how good God has been to me allowing me to be married to my best friend. We have lived on two continents, are raising five wonderful children and get to serve the Lord in full-time ministry. I am a blessed man. I am loving today and looking forward to another glorious 20 years of marriage.

Near the end of the month, **our oldest daughter, Lydia, got married.** We are so thankful for the friends and family that made the wedding ceremony a God-honoring and beautiful time. We have prayed since our children were born that they would someday marry someone who loves God and wants to serve Him. Tyler and Lydia will go on deputation together to get to the country of Argentina. We are very excited for them

because we know that they will see God do great things as they step out on faith and serve Him.

I had the privilege to **be on TV in Salta, Argentina.** One of my Argentine friends reached out to me and asked to interview me and then to preach for ten minutes. I did my best to preach the Gospel clearly and plead with Christians to give their lives fully to God's service. What a privilege to preach the Gospel all the way in Argentina from my own home!

We are rejoicing that **our pastor, Austin Gardner, was discharged from the hospital** and is home with his family after a 4-week battle in the hospital. He is gaining strength and doing much better!

The Our Generation Training Center is back in full swing and I am so thankful **I get to teach two classes to the missionaries in training** this semester. My subjects are Christian Family and Spiritual Warfare.

Here to Serve,
Jeff and Mindy Bush and family
