

Jeff & Mindy **BUSH** *& Family*
June 2019

In May we held our annual orientation, which is a week of encouragement and training with our missionaries on deputation or furlough. We had a wonderful week and the Lord gave a very time of refreshing and teaching. Classes were held on marriage, church planting, deputation, goals for a term on the mission field and much more. I am personally so blessed and thankful to work alongside men and women who are working on the front lines to getting the Gospel to the lost world.

Please be in prayer for two weeks of missions' camp coming up. Every year our team of staff and missionaries hold a camp to challenge young people to give their lives to take the Gospel to those without it. Please pray that both camps will be filled, missionaries will preach passionately and young people will respond to the call. Soon our Lord is returning and we only have a short amount of time to get His Word out.

There are exciting things constantly happening here. During this month, a new church plant was started in Argentina, the first convert was led to the Lord by a new missionary in China, and another church was organized in Argentina. In the next couple of weeks, we have two missionary families leaving for the mission field and two other missionaries that will be ordained into the Gospel ministry. Wow, the Lord is truly blessing Vision Baptist Missions!

We are very thankful that this month a church voted to financially support us. We live from missionary support like other missionaries and we are always grateful when a church partner with us.

This summer holds several overseas trips to preach, encourage and help the missionaries God allows us to serve alongside. We will also have several opportunities to speak to couples that are praying for God's next step in missions. Spring and fall are always busy with recruitment at Christian schools and colleges, but summer allows me time to visit churches and invite couples to visit our home base and consider their training with Vision Baptist Missions.

We covet and appreciate your prayers greatly. Time has a way of flying by and our greatest desire is to invest our lives in serving God to get the Gospel around the globe before His soon return.

Here to Serve,
Jeff and Mindy Bush and family
