Dear Supporting and Praying Friends

March - April 2015

**New church, new Bible study groups, and many students with the desire to start churches** - this sums up the trip that I just made to Argentina! I was able to visit the five churches that the Lord allowed us to start, encourage the pastors and teach a group of Bible college students that want to preach. My heart was thrilled to see so much zeal and desire in one place! Please pray for these men in Argentina as they prepare, pray and plan to start more churches.

Bible College Students  
in Argentina

God has been opening doors to preach to young people in Christian school chapels, represent Vision Baptist Missions in several colleges and promote worldwide missions. Everywhere I go, I

meet young people who want God to use their lives!

I had the privilege to teach for two weeks at the **Our Generation Training Center**, a training school for missionaries right out of our local church. Although I get to influence many high school and college age students, the Training Center is very close to my heart because it is the place where men are trained specifically for missions before joining up with Vision Baptist Missions.

One of the many blessings that we get to share with our missionaries is a meeting we host once a month at our house. While the kids are being watched, we have around 50 adults gathered in our living room to discuss missions. This is a time of fellowship, encouragement and growing for all of us.

Monthly Missionary Meeting in our home

**We want to encourage you to consider taking a mission's trip this year.** The Lord allows Vision Baptist Missions to host many missions trips and I would like to ask you to consider taking one. Many families have used a mission's trips for their own family vacation. A mission's trip will change your life forever!

Here to Serve,

*Jeff and Mindy Bush and family*
