Dear Supporting and Praying Friends

May 2014

The last couple months have been extremely busy, and God has been blessing immensely. It has been 2 years now since God transitioned us from Argentina to work as the Director of Vision Baptist Missions. We have seen many missionaries added to our mission family, and God has opened doors to recruit and represent in colleges, conferences and churches. He has also blessed in the ministry in Argentina as they recently started the 5th church, graduated 4 more from the Bible College and every church is continually growing. We are praise the Lord for the men He allowed us to train during our time there so that the work would not stagnate, but continue on.

Just recently one of our missionaries to China was deported. He is currently seeking open doors in a neighboring country. Thank the Lord we have two more missionaries on deputation ready to get into China as soon as they raise their support! Please keep them in your prayers and if at all possible, consider supporting them financially so they may get to China as soon as possible.

Our annual summer mission's camp is June 9-13 and it's not too late to send your young people! God is not only giving us this responsibility but this privilege to be able to challenge young people with giving their lives as missionaries.

As we travel to recruit, lead mission's trips, and help equip our missionaries, we are still in need for remaining support. Please help us pray that we will receive our remaining support soon so that we can do more in the ministry.
