**May 2019**

In April, I had the privilege to travel to Guatemala and preach a **pastor's camp to pastors from Mexico, Honduras and Guatemala**. What an honor it was to get to be with these men of God and encourage them to continue and strengthen both ministerial and personal areas in life.

I would like to ask for **prayer for our missionaries, Philip and Lori Bassham**. They had recently arrived on furlough from Thailand and soon after, Lori's mom was killed in a tragic car accident. Several from our missionary family traveled to the funeral in Texas. She was a godly lady and left a great testimony, but please be in prayer for the family during this unexpected loss.

**Our daughter, Johanna, was saved this month!** It was a Sunday morning and our pastor had just preached a message that hit home. The Lord was working in Johanna's heart and she was saved.

Pastor Gardner and I **traveled to Colombia for our VBM Regional Conference**. VBM missionaries from Argentina, Bolivia, Chile, Peru, Mexico and Colombia gathered in Medellin, Colombia to share a week of instruction, fellowship and encouragement. Subjects such as marriage, next step in ministry, family and personal integrity were all discussed to challenge and encourage the missionaries. What a sweet time with God's soldiers on the foreign field!

**Make your plans for youth camp this summer at the OG Camp!** The OG Camp is a missions-oriented camp led by missionaries and staff that believe it is our responsibility to get the Gospel to the world in our generation. Sports, canoeing, zip line and activities are all prepared to give the young people a wonderful time, along with preaching and teaching to be fully committed to Christ. For more information on the dates and cost, please check us out at [ogcamp.org](http://ogcamp.org).

Here to Serve,
