

Jeff Bush Family

Director of Vision Baptist Missions

May 2020

Because of the shelter in place order, our schedule has been different from a normal month. Ordinarily I have the privilege of preaching Christian school chapels, visiting colleges and churches, but the coronavirus has pushed pause on regular activities. During this time, God has allowed progress in other areas, below are a few of the following:

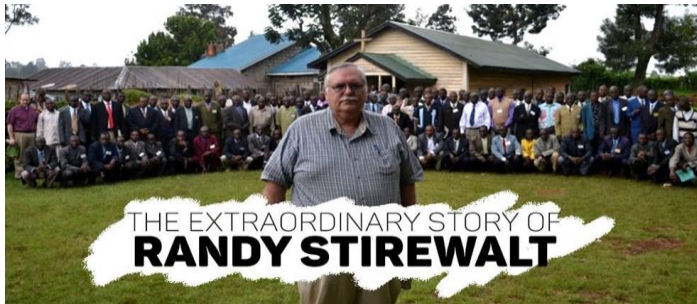

Many times, I hear the question from a parent, pastor or friend who says, "I know a young person who wants to be a missionary but is still in school - is there anything we can do to help them?" The **Our Generation Army** is a new program to involve young people from ages 8-18 in world evangelism. Find out more and sign up at the following link: <https://www.worldevangelismcenter.org/ogarmy>

Share-A-Thon will be May 1-2, but will be archived if you are unable to watch it. There will be testimonies of how the gospel has changed people's lives from around the world, live interviews, live music, ministry videos, and much more! Please join us or watch it archived in the following

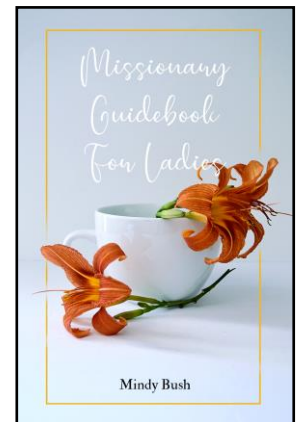

link: <https://www.worldevangelismcenter.org/share/>

VBM recently produced a video about the need in Kenya and the life of Randy Stirewalt, a great servant of the Lord who spent 40 years serving God. The day after releasing the video, Randy Stirewalt went to Heaven. **You will be stirred,**

challenged and encouraged by watching this 23-minute video. Many churches are showing it as part of their service, and I am convinced we will see many people surrender to serve God as a result.

Lastly, **both my wife and I are writing books** that we pray will be a help and encouragement to many. My wife's book is called, *Missionary Guidebook for Ladies*, and I believe it will be both instructive and uplifting to many missionary wives. Mine is called *Leadership Opposite* and has to do with the leadership of Jesus being opposite as to what is "normal" leadership. We are hoping to have these books finished and printed in June.
