Dear Supporting and Praying Friends

October 2015

“God isn’t looking for people of great faith, but for individuals ready to follow Him”

Hudson Taylor, missionary to China in the late 1800’s.

Lately I have been able to preach in many Christian schools, challenging young people to give their lives for worldwide missions. Young people may be one of the most challenging groups to motivate, but when motivated, they are one of the hardest groups to stop! I am praying that God will allow many young people to rise up to the challenge and give their lives to God for foreign missions.

In September I had the privilege to go visit one of our missionaries in China. Mark and Natasha are doing a great job witnessing and training leaders for the ministry. Many have a false concept of missions in China, and although it is not open for religious visas, you can find many places in the country to purchase Bibles and start churches. There are over 100 cities in China of more than 1 million people with little to no Gospel being preached. What a need! Would you pray for more missionaries to China? We are excited about the VBM China team. We currently have 3 more missionaries on their way – Ben Johnson, Kanon Bloom, Edward de los Reyes. I would ask that you would consider supporting them so they can get to the field as quickly as possible!

Another great opportunity we had recently was the “One Day Summit”. Calvary Baptist Church in Hiawasse, Georgia hosted the VBM team for this event. We provided the missionaries, the preaching and the activities for the day. If your church is interested in hosting one of these events, please contact us! It is a great way for young people to interact with real missionaries!

We are in preparations for the biggest event of the year – the “Our Generation Summit” in Pigeon Forge, TN. We want to extend an invitation to your church to come and join us from December 31 – January 2, 2016! Find out more on visionmissions.com! We would be happy to send you some brochures about this event to pass out to your church!

committed to raising up young people to serve Him in missions and we could not do this without your help!

Thank you for your continued support and prayers! We are
