Director of Vision Baptist Missions

October 2020

What a phenomenal month of blessings from the Lord! We kicked off the month by accepting our newest missionary to Vision Baptist Missions, Chestley Howell, going to the country of Colombia. Chestley is a diligent and God-fearing young man, and we are blessed to have him as part of our missionary family.

We received some sad news this month that a friend in Argentina, Sebastian, passed away of cancer. The good news is that years ago, he accepted Christ after one of the men in our first church plant witnessed to him in the jail. The first Sunday that Sebastian was out of jail, he showed up at church, already having completed discipleship while being incarcerated. He soon got baptized, became a member of the church, and started Bible college. He and his wife were very active in church and helped in a great way with the church's social media presence. What a story of God's changing and miraculous grace!

God is continuing to open countries so our missionaries can get to their fields of service. Over the last month, we have seen several of our families able to return: John Walz and Kanon Bloom (Taiwan), Jason Holt (Chile), Mark Tolson (Taiwan), and Travis Snode (United Kingdom). Several countries have opened and we have multiple missionaries heading to their fields very soon. We praise God that the doors are opening and we believe we'll see a harvest of souls and churches planted in the future as a result!

I want to encourage you to make plans now to take a missions trip next summer. A mission's trip will change your life! We are offering 18 trips for summer of 2021. To find out more details, jump on our website: www.visionmissions.com
