Dear Supporting and Praying Friends

September, 2014

So much has happened lately and God's name has been magnified! We held a one-day mini summit at a camp in North Georgia. The Lord gave us a great time of preaching, interacting with the youth and encouraging them towards missions.

Thankfully the Lord has added more missionaries to the VBM family going to India, Chile and North Africa! Please be praying for our newest families that God would raise their support as quickly as possible! If you as a church are looking for some new missionaries to support, these men have been trained in mission's work and will continue in training as our goal is to see them arrive to the field quickly, start churches and train national leadership.

A few weeks ago, the first church we started in Argentina caught on fire and the entire building burned down. The church lost everything material (chairs, sound and office equipment, etc.). As soon as the news got out, the pastors from all 5 churches, the Bible college students and leaders met at the church to clean up and help in anyway possible. The miraculous thing is that while everything burned, the only thing that survived the fire was the pulpit with Pastor Jorge's Bible. We believe the pulpit withstood the fire because God's Word must still be proclaimed in Argentina! We praise the Lord that the churches have been indigenous and self-supporting for many years now and we know that God will provide, but we would like to request on their behalf a

special love gift that can help them get the building back up. They have been meeting in the open air for several weeks and Pastor Jorge and the leaders are determined to build again little by little as they can, but we would like to help jumpstart this new building project. Would you give as the Lord leads? Any amount would be greatly appreciated! You can give through our mission board address and mark your gift

"Argentina
Church
Building
Fund".

Here to Serve,

Jeff and Mindy Bush and family
