

Jeff & Mindy **BUSH** *& Family*
September 2019

We started off the month with a regional conference in England. Missionaries from Bosnia, Turkey, Ireland and London gathered for a week of fellowship and teaching. My pastor and I were able to encourage our friends and missionaries as they serve the Lord on the mission field. We talked about marriage, ministry, raising children, personal growth and more. I praise the Lord for the opportunity to help these soldiers of Christ on the front lines.

God has placed it on my heart the great need to see a new generation of missionaries raised up and taking the Gospel before our Lord's soon return. One of the ways I try to reach young people is through preaching Christian school chapels. Although schools just recently started the fall semester, God allowed me to preach in 12 Christian school chapels already. Three young people raised their hand for salvation and a couple young people have told me they wanted to serve God. Please pray young people will respond to God's calling to take the Gospel.

We held a few events this month to stir up more interest for world evangelism. The Vision Impact Weekend, which is an open house to our missions training program, brought in around 30 young people. On a separate week, a group of young people visited from Buffalo Ridge Baptist Church and were challenged by our missionaries and team to take the Gospel to a lost and needy world. They visited a mosque, a Buddhist temple and other religious sites all in the city of Atlanta. God used this event to open the eyes of many of these young people. This event is what we call "The World's Cheapest Missions Trip." Since it requires no passport, visa or international plane ticket, we can challenge many young people to see the needs of people around the world right in metro Atlanta. If you're interested in finding out more about this, please give me a call or email me. This is the best time to start stirring interest in young people for a mission's trip next year!

We thank each and every one of our supporters! Without you, we would not be able to do what we do to equip and encourage our missionaries and prepare the next generation!

Here to Serve,

Jeff and Mindy Bush and family
