

# Jeff Bush Family

Director of Vision Baptist Missions

## September 2020

Recently we held the Vision Impact Weekend, an open house we've held the last 6 years to introduce the Our Generation Training Center to prospective students. Brendon Wung, along with several students and missionaries, did a phenomenal job of organizing everything. We had around 40 young people and many interested in preparing to become missionaries. Please help us pray God would bring more students that we can help get to the field before our Lord returns.

God is greater than the coronavirus! I am very excited to announce that two of our missionary families were able to fly back to the mission field. Both John Walz and Kanon Bloom had a successful flight to Taiwan. This is great news because so many missionaries are in the USA unable to return to their countries of service. Please help us pray that God allows the travel ban to end soon so Gospel soldiers can get back on the field and serve the Lord.

**Leadership Opposite F**  
by Jeffrey Bush (Author)

Kindle \$2.99 Paperback \$6.99

The Bible is the most accurate and proven way of doing things is not always how we would be servant, to live is to die, to receive is to give. In Leadership Opposite, you will discover leadership, but these tried and proven principles.

The Kindle version of my newest book is finally out! It was delayed, but finally both the Kindle and printed book is ready for purchase.

I was privileged to go on a camping trip with the male students of the Our Generation Training Center.

I'm thankful to my friend, Robert Canfield, the director of the OGTC for organizing the trip. We had a great time canoeing, singing and sharing testimonies around the campfire. Please pray that God blesses and uses these young men to do a great work for him around the world.

Here to Serve,  
Jeff and Mindy Bush
