Dear Supporting and Praying Friends

September – October 2013

The Lord has allowed us to see some great things lately. I recently made a trip to Argentina to lead a survey trip with Shawn Bateman, VBM's newest missionary to Argentina. What a blessing it was to have the privilege assisting a new missionary family learn more about Argentina and talk about future ministry. Please be praying for the Bateman family. While in Argentina, the Lord also allowed me to preach in the four churches the Lord allowed us to start in our previous ministry there and to visit a area where the fifth church will be starting. How exciting to see the work go forward!

Vision Baptist Missions is growing with **3 new families** added to our missionary family in the last two months. VBM has a desire to send accountable and prepared missionaries all over the world. I am honored as well as humbled that God would allow me to lead such a fine missionary family.

God has certainly opened some amazing doors lately through mission's conferences and teaching on missions in Bible colleges. It has been exciting to see God raise up Faith Promise giving in local churches as well as people getting involved in missions. The last two weeks I have been teaching "Issues of Missiology" at the Our Generation Training Center where students

are specifically preparing for the mission field. To find out more about the training center, check it out online ([www.ogtc.org](http://www.ogtc.org)).

On a personal note, we ask you to help us pray for our personal support. We are thankful for those who have partnered with us and pray others will decide to commit arm in arm as we strive to get the next generation of prepared missionaries to the field before our Lord returns.

Very soon we will hold Vision Baptist Missions' yearly event called the "**Our Generation Summit**". This 3-day conference is held in Gatlinburg, TN and is geared towards placing a burden and awareness of the need of world evangelism. We have missionaries from all over the world that teach the sessions and preach challenging messages. This year we hold the event January 1-3, 2014 and are anticipating 300 in attendance. If you have a desire for missions or would like to hear some challenging lessons and messages, you will not want to miss this event! We would be glad to send you more information if you contact us or you can find out more online at [www.visionmissions.com](http://www.visionmissions.com)

Here to Serve,

*Jeff and Mindy Bush and family*
