

Argentina - Oct 2008

Once again, we want to share with you how great the Lord has been to us. In September, we were filled with activities, blessings and people saved. After preparing and praying for weeks, we had a special banquet at the Lighthouse Baptist Church. The people invited unsaved friends and family with the goal of them hearing the Gospel. Praise the Lord we had over 200 people and 5 made professions of faith!! Our people were able to see the hand of the Lord after much work and prayer.

The jail ministry of the Lighthouse Baptist Church is doing well and praise the Lord, another pavilion was given to us to run. There are now 4 pavilions that we are able to have daily prayer and devotional time that are led by inmates we have placed in charge. Brother Mauricio, a member of our church and great soul winner, is being used by the Lord to see many men saved.

The Grace Baptist Church and Pastor Matias are doing well. Since we handed the church over in July, we have seen the Lord use Matias to take the people forward. He has invited me back to preach and I am excited to see what God is going to do through him. Please help us pray God will give him a Godly wife to accompany him in the ministry.

We were recently able to pour the foundation for what will be the permanent building of the Lighthouse Baptist Church. It is a blessing to see the excitement in our people as the church makes progress in the construction. God has been great to us and given us sweet people who are continuing to faithfully give and love the church. I pray God will lead us in the spiritual building of His people as well as the physical building of His church.

This past Sunday, we had a Baptism Sunday. Praise the Lord, 15 people were baptized! It was a blessing to see these people take this important step in the Christian walk.

We would like to invite our supporting churches to plan to come and visit us on the mission field. It would be a great opportunity for anyone to get a heart for missions and to see where their missions dollars are going.

Thank you for your prayers and faithful support for us as we serve here in La Plata, Argentina.

Here to Serve,

Jeff and Mindy Bush and family
