

April 2022

In March **two more churches were started!** Missionary Kason Bloom held his first service in Ecuador, and missionary Kevin White held their first service at a new church plant in Bolivia. The work of God is advancing!

Missionary Courtney Mathos just **left for Bolivia** this month. Our church was blessed to gather around her and pray for her before she headed out. She will be working with Kevin and Beth White, and we're excited to hear how God is going to use her for His glory.

Recently we were blessed to have Bryan Stensaas visit and **teach the students and missionaries about cultural adaptation, church planting, and missionary ethics.** He served as a missionary in Spain and Uganda as well as a director for BIMi and teaching missions at West Coast Baptist College. He was a tremendous blessing to me personally as well as to all of those present.

My missionary friends and I were able to **visit Pensacola Christian College** and talk to many students about Vision Baptist Missions. The highlight of our day was attending and preaching in the "Mission Prayer Band" that evening. I'm always grateful when the college allows me to speak to their students.

I am constantly allowed to **visit and challenge students at Christian schools.** The majority of times I am blessed to take missionary friends with me. It is a great privilege to challenge young people to fully give their lives for the cause of Christ.

This month we began **holding classes on our new piece of property.** There are still several areas we need to fix up, but we are excited to be using the property God has given us. We are asking churches all over to assist us with the **Our Generation Easter offering (Sunday, April 17).** Your investment will allow us to take care of much of the maintenance of the VBM offices and the OGTC classrooms for current and future missionaries.
