

January 2022
Bumps and Blessings

The Lord has been extremely good, and I am anticipating a wonderful new year. Allow me to share **a few blessings looking back over 2021:**

- God gave us **a new piece of property** to facilitate Vision Baptist Missions and the Our Generation Training Center! We are praying to be on the property by the end of this month.
- God gave us our **biggest class of missionary trainees** in our last trimester.
- I was able to **teach six different missionary courses** to our future missionaries (Introduction to Missions, History of Missions, The Christian Home, Spiritual Leadership, Church Planting, & Spiritual Warfare). My wife taught the young ladies 3 different courses (Women in Missions, Home Administration and Women of the Bible).
- Over **ten missionaries and missionary interns left for the mission field.**
- I was able to preach **17 Christian schools chapels** as well as host many missionary events.
- I taught 2 courses in **Vision's Spanish Bible Institute** (thanks to Pastor Jimmy) and able to preach multiple **Spanish conferences in Argentina, Peru, Honduras, and Chile.**
- I **visited 4 mission fields** and preached 14 different missions conferences or missions emphasis days.
- We **ended the year with the OG Summit** and had many young people attend from several churches.

I ended the year thanking God for the lessons He has taught us through the "bumps" the devil has thrown our way:

1. God is still in charge and still on the throne.
2. God can still make all things turn out for His good.
3. Nothing takes God by surprise.
