

July 2022

Summer has been quite busy with activities. In June I took a trip to Bolivia to preach a youth conference in the ministry of Kevin and Beth White. God has allowed them to start four churches, and all came together for the youth conference. There was a great crowd each service and great response from the attendees, several raising their hands wanting to know more about their eternal destiny. On the last day, they had a Bible college graduation. What a thrill to see three young men ready to serve in the ministry!

VBM missionaries to China/Taiwan led up the "China Conference." The purpose was to gather young people to pray for and raise awareness for the Gospel need in China. I am grateful to serve alongside missionaries who are constantly praying and seeking opportunities to make others aware of the need for more laborers.

The OG Camp was also in June with many missionaries and friends who worked diligently to see fruit of good decisions among the young people.

Praises:

1. The new church plant in Ecuador with Kason Bloom saw **four people baptized!**
2. The Tolson family safely **returned to their field** of service in Taiwan!
3. Progress is coming along on the BCWE property. The **floors are finally finished** in the Hudson Taylor building!
4. **Two churches were started** by missionaries: in Argentina and in Indonesia.
5. The ministry in India held an **ordination and graduation.**
6. We were blessed to accept Robbie Prater as our **newest missionary!**

God is still at work, and our future is as bright as the promises of God!
