

March 2022

We had the privilege to be with several missionary families in Turkey for the European Regional Conference. We enjoyed a wonderful time of fellowship, sight seeing, and teaching sessions. While there, we attended one of the missionary's church. What an exciting time to see him **baptize the first person in his**

ministry! The young man shared his testimony and then we watched him get baptized. Praise the Lord!

Praise the Lord that **two more missionary families were able to leave for their fields of service!** The Mize family left for Nepal and the Carriers left for Chile. Both are fabulous couples that love Jesus, and I'm thrilled they were able to get to the country God had placed on their hearts.

Our church holds an annual **Father/Daughter Date Night**. I love any chance to take my daughters on a date, so this was a special evening. We had a wonderful time! God has been very good allowing me to have four wonderful daughters!

We signed on the new property for **Vision Baptist Missions and the Our Generation Training Center**. The long anticipated dream has finally become a reality! Our church was especially kind to

I continue visiting several schools every month to challenge students to fully commit their lives to serving God. It's always a blessing to see some tenderness to obey God, but I'm grateful **one young man accepted Christ** last week! It's a great joy to serve Jesus!
