

## September 2022

Do you want to be involved in world missions? One way you may be able to help in a huge way is to **come work with us for a few days!** We need to **remodel** a couple of the older buildings on the new campus. These buildings will be future classrooms and a cafeteria kitchen, but are currently in unusable conditions. The dates are September 19-22 (Monday-Thursday) & October 25-28 (Tuesday-Friday). If you or a group from your church is interested or available during that time, please let us know and we can let you know the details!

On September 6, we are **starting our fall semester** at the OGTC. One of the classes I was blessed to teach last semester was "Church Planting." It was a guys-only class. I am truly excited to see what God is going to do with these fine young men. We'd love to have you visit, specifically if you or anyone you know believe God wants you to be a missionary

Another big blessing from this summer was our **"World's Cheapest Missions Trip."** This yearly event allows us to show youth groups a Muslim mosque, Buddhist temple, Hindu temple, Jewish synagogue and Catholic cathedral while speaking about missions. It is very impactful, and allows groups to take a missions trip without a plane ticket or passport. We've already scheduled three of these for summer 2023. We'd love to have you

visit! Find out more on our website: [visionmissions.org/wcmt/](http://visionmissions.org/wcmt/)

The VBM offices have officially moved out to the new campus! There were many details that had to be worked out before moving the offices, one of which was having good internet! The Lord has provided all of this and we are busy getting settled in our new home!

I would love to invite you to join us for the **"World Evangelism Fellowship."** On Tuesday, **November 8th**, we look forward to a wonderful time of gathering on our new campus to hear from men God has used in the area of world evangelism. You can find out more details by visiting our website: [visionmissions.org/wef/](http://visionmissions.org/wef/)

VBM Stat: 9 left for the field in 2022 + 4 more leaving by January + over 20 currently studying to be future missionaries.
