VISION BAPTIST MISSIONS

PO Box 647  
Dawsonville, GA 30534

Summer is officially over, and classes are back in session! The Our Generation Training Center, the training arm of VBM, started the fall semester, and we are grateful for the **six new students** God has sent! These young people are God's laborers for the harvest field. God is the One who calls missionaries, we are simply privileged with helping them prepare for His service. Would you please consider bringing a group to visit and check out the OGTC this fall?

During the summer, God allowed us to hold several events to encourage young people in the area of world evangelism. We held two different "**World's Cheapest Missions Trips,**" which is an opportunity to show young people five different religious sites in the Atlanta area (Mosque, Cathedral, Temples, etc.). This summer we had people visit from TX, IN, GA, NC, KS, & SC. We also held several "Youth for the Gospel," events which is a one-day event held in different churches around the US. Jump on our website to see future events. We would love to host you and your group!

Also, this summer the **OGTC Singers** ministered in 22 churches! Praise the Lord for these sharp, young people that represent well our Lord and the ministry.

We held our annual **VBM Marriage Retreat** to encourage and strengthen our marriage. Pastor and Mrs. Herrell were a tremendous blessing to our missionary team!

We would like to ask you to consider scheduling a **group to help us with renovations** on the beautiful campus God has given us. The five buildings on 16.5 acres are such a blessing to equip future missionaries. There's always some project needing improvement on our campus.

Lastly, I want to ask you to **pray for us**. God has been so good to us with visitors, students, facilities, and blessings. He has made us stronger through lessons He has taught us, and we want to never forget that He is in charge. We desire to equip and send out missionaries into His harvest until He returns to take us home
